Lucifer's Lair Ministries want to invite all pastors, youth ministers, church staff, and youth leaders to a free Witnessing Workshop at Thorndale Baptist Church 1920 E. Kings Hwy (rte. 340), Coatesville Pa, near Brandywine Hospital just off Rt 30.

September 29th from 7 to 9 PM

Imagine having twice as many youth as normal in your next youth meeting. Imagine them having a ton of questions about what happens to them after they die.

Imagine them getting burdened for their lost friends or even their lost parents.

Lucifer's Lair Witnessing Workshop is free and includes:

- A walk-through of the key parts of Lucifer's Lair.
- An opportunity to purchase discount tickets for future weeks.
- Posters and publicity you can use to promote this event
- A teaching guide to accompany the Lucifer's Lair study guides that could produce a month of meaningful discussions.

There is little that can make young people as curious about spiritual things as Lucifer's Lair.

Lucifer's Lair is a “Hell Fire And Brimstone” Sermon with special effects. There are 3D glasses black lights optical illusions and magical illusions all to amaze and entertain while the message of eternal truth is presented.

Lucifer's Lair is a walk-through experience of the Horror and the evil of Hell with the hope that those who visit this illusion will make arrangements to avoid the horrible reality that is awaiting those on the broad way.

It is our conviction that if anyone spent a minute in Hell they would make sure they would never go there.

The goal of Lucifer's Lair Ministries is to:

- Honor God
- Present the gospel to lost people

- To give the church a tool to reach people with the message of Salvation.
- To give God's family another tool in evangelism and to increase evangelistic fervor as Church members understand the importance of witnessing to their neighbors, family, and friends.

The Value of Lucifer's Lair

There are a lot of people who are open to the church using traditional methods. There are however people who have hardened their hearts against the traditional sharing of the 4 Spiritual Laws, Evangelism Explosion, Roman Road, or other methods of witnessing. Some of these people especially young people will be open to the gospel presentation as experienced in Lucifer's Lair. Some of the young people most severely at risk may be most interested in attending Lucifer's Lair. The interest in horror is evident in music; movies; and there is an increasing attempt by Satan to reach them with cults and even the occult. Lucifer's Lair unmasks the evil and reveals Satan's real character. It may just be the best tool the church has to save some young people from tragic choices.

Origin of Lucifer's Lair

Lucifer's Lair was born in Washington DC in 1979. It came as an outgrowth of an evangelistic program to reach inner city young people with the message of Christ.

The Hell Fire and Brimstone preaching of the great awakening was our inspiration.

How to use Lucifer's Lair

1. **Teach** your people about the reality of Hell. If Christians knew what Hell was like would they pray witness and live a little differently. There would be an urgency about their evangelism. People they love are going to Hell. Satan wants them to ignore that reality. God wants them to never forget that truth.
2. **Build Fellowship** among your church group. Fellowship happens not just during time spent together but during times when people share their feelings beliefs and experiences. Lucifer's Lair will get people talking about their beliefs, family history, fears, and faith.
3. Bring **visitors** to church groups. It is important to not just bring the faithful attendees but also the lost people who have a relational bridge to the church. This is an opportunity for your members to see their

friends and relatives lives changed. What a blessing it will be in their Christians life.

4. **Reach out to the unreachable.** There are some people, whose life is outside the normal church outreach methods. Paul said I have become all things to all people that I might save some. A church will use various methods during a year to reach the lost. Lucifer's Lair is the very best method to reach some people. Ask your youth to think of the person who is least likely to attend church. Pray for them and invite them to Lucifer's Lair.
