 - b. Supplementary notes
 - c. Videos
 - d. (Technical) soccer & futsal coaching manuals from Ambassadors In Sport, FIFA

The explosion of Ubabalo speaks for itself. It's now in more than 45 countries globally since January 2008. We can see God at work and so we're urging everyone to join Him! www.ubabalo2010.com

Please pass this on to other interested people in your network. They do not have to be soccer coaches or soccer fanatics. As long as they have an interest to reach out to sports playing youth through a language that youth understand best (sport), then I would encourage them to come to the training.
