A FAITH-BASED REVITALIZATION PROJECT -

As disciples of Jesus, it is our responsibility not only to love God, but to love people, and to restore to them dignity deserved as creations of God. As Christians of Coatesville it is time to awaken to the reality of the needs that surround us, and determine our purpose in resolving those needs.

In order to see the plight of others and respond appropriately in love, we must first understand our community, it's history, and our relationships with our community. None of us can solve all the problems ourselves, but with the Holy Spirit working through us, together, we can be Jesus hands, feet, heart, mind, and voice. Our churches themselves can take their part in the body of Christ, in God's revitalization of His reign over the City of Coatesville.

PLEASE COME -

Transformation of a city takes time. But it can't happen at all until we start at least taking some baby steps. Please attend this important event and learn important facts about your local history.

Feel free to invite friends and family and anyone you meet.
