NEWS RELEASE
“RELIGIOUS NOTES AND EVENTS”
“International Children’s Choir Presenting
Special Concert”
April 8, 2007 at 6:00pm

Meeting at: 200 Airport Rd- Valley Township – Coatesville,PA
(LanChester Christian School)

FOREST, Va. – As part of its 2006-07 United States tour, World Help presents *Children of the World International Children’s Choir*. This choir comprised of 15 children from four different countries, will be performing at Gateway Church on April 8, 2007 at 6:00 pm. The church meets at LanChester Christian School, 200 Airport Road, Valley Township (Coatesville).

These orphaned and disadvantaged children are from India, Uganda, Brazil, and the Philippines. They are in the midst of a ten-month concert tour in the United States. They have performed at places like *Disney World, Lego Land and the Crystal Cathedral in Garden Grove, CA*.

This inspiring one-hour concert will feature several songs, in both English and native dialects, as well as stirring personal testimonies. Also part of the concert is a video presentation, featuring footage of the children’s home countries.

These children represent thousands of children in **World Help’s Child Sponsorship Program** around the world who suffer hardship, hunger and disease. The purpose of the *Children of the World* is to generate compassion and inspire individuals to get involved in the **World Help Child Sponsorship Program**, helping to change the world...one child at a time.

World Help was born out of a sincere desire to help those in need...spiritually and physically. **World Help** exists to fulfill the Great Commission and the Great Commandment through partnering, training, helping and serving, especially in the unreached areas of the world.

For more information, interested readers may call the church at (610) 857-0720 or e-mail info@gcwired.com. More information is also available at www.gcwired.com.
