Class Descriptions

- Porn & Cybersex.** Computers are easy access to pornography. This class will give a biblical viewpoint about such addictions and assist students with understanding the pitfalls and addictions that trail Cybersex.
- Waiting Without Distractions.** Learn to wait on God without being distracted by the world's view on sex.
- How Far Can I Go?** Kissing, cuddling, groping. Has God set limits for the saints regarding sex before marriage? This class will explore what God says about sex before marriage and exactly what is too far.
- Sex/Music/Videos.** Could God listen to that beat or watch that flick alongside you? Is it okay to listen to music that has sexual lyrics or watch movies that involve some sex? Learn how seductive movies and videos manipulate the saints' minds to fall prey to sexual immorality.
- Choosing God's Best.** Learn to incorporate prayer into the decisions about who you might date. Learn how to process the consequences of sexual immorality. Understand what God desires for your life.
