Workshop Information

Beautiful in God's Eyes. When we look in the mirror, some of us don't like what we see. We have allowed satan, society and past experiences to distort God's view of us. Accepting God's view of us is the beginning of developing a healthy spiritual wall.

Evaluating Your Spiritual Condition. When confronted with our personal broken spiritual condition we often don't know where to begin. Learn how to survey the spiritual damage in your life in preparation for rebuilding.

Order From Chaos. In order to address the physical ruin of Jerusalem, Nehemiah had to prayerfully plan. Likewise, we must prayerfully plan to bring order to the chaos in our everyday lives. If you need a little help in bringing structure and order to your everyday life, this workshop is for you.

Building a Support System. In the rebuilding, Nehemiah learned to value others and their God-given gifts. Part of the rebuilding process is asking others for help. When we try to live on our own, we communicate "I don't need you" to the rest of the body. Learning to partner with others results in personal spiritual enrichment.

The Prayer Life of Nehemiah. Rebuilding the wall of Jerusalem was an awesome and overwhelming task yet, Nehemiah was able to experience unusual spiritual success. How did he do it? He was in constant communication with God. Learn from the prayers of Nehemiah how to tap into the heavenly resources available to all believers who are willing to consistently call on God.
